

Masterworks Press Policy for Reproducibles

Definition of Original Purchaser: The Original Purchaser is the individual, single school, church, or choral group licensed to make and use copies of reproducible music purchased from Masterworks Press.

Any other use of Masterworks Press reproducible materials requires prior written permission of the publisher.

1. Individual Purchase

An individual who purchases reproducible music from Masterworks Press with personal, nonreimbursed funds is the Original Purchaser and is licensed to make and use copies of the music listed on the Reproduction License only for choral groups directed by the Original Purchaser. Copies may not be sold, distributed, or donated to any other individual, organization, church, or school. If the Original Purchaser leaves an affiliated school, church, and/or other organization, the license to reproduce remains with the Original Purchaser. The originals and any copies made during the Original Purchaser's tenure must be removed, unless Masterworks Press is notified in writing of a transfer of ownership to a single school, church, or other organization.

Example: The Original Purchaser leads choirs at a middle school, a high school, and a church. S/he may use the purchased music at all three locations. If s/he leaves one or more of the locations, all copies must be removed, since neither the schools nor the church have reproduction rights.

2. Single School Purchase

A single school that purchases reproducible music from Masterworks Press with school or organization funds or a district purchase order is the Original Purchaser. If materials will be shipped to a central warehouse or other third-party recipient, a purchase order must identify the single school that will be the licensed Original Purchaser. Only choirs directly affiliated with the Original Purchaser may make and use copies of the music listed on the Reproduction License. Copies may not be sold, distributed, or donated to any other individual, organization, church, or school.

Example: Adams High School purchases music using a school or district purchase order, a school or school organization check, or a school or individual's credit card that is subsequently submitted for reimbursement. Adams High School is the Original Purchaser and cannot sell, distribute, or

donate copies to any other individual, organization, church, or school, within or outside its own school district.

Multiple School Purchase: School districts may apply for multiple school reproduction licenses. Each named school will receive its own master copies and reproduction license. Contact Masterworks Press for details.

3. Single Church Purchase

A single church that purchases reproducible music from Masterworks Press with church or church organization funds or an individual's check or credit card that is subsequently submitted for reimbursement is the Original Purchaser. Only choirs directly affiliated with the Original Purchaser may make and use copies of the music listed on the Reproduction License. Copies may not be sold, distributed, or donated to any other individual, organization, school, or church.

Example: Mount Tabor Lutheran Church purchases reproducible music. Mount Tabor Lutheran Church is the Original Purchaser and cannot sell, distribute, or donate copies to any other individual, organization, school, or church, within or outside its own diocese or denomination.

4. Single Civic or Professional Choral Group Purchase

A single choral group that purchases reproducible music from Masterworks Press is the Original Purchaser. Only this choral group may make and use copies of the music listed on the Reproduction License. Copies may not be sold, distributed, or donated to any other individual, school, church, or organization.
